You'll Never Know

Barbra Streisand

You'll never know just how much I'll miss you, You'll never know just how much I care, And if I tried, I still couldn't hide My love for you You ought to know For haven't I told you so A million or more times? You went away and my heart went with you, I speak your name in my every prayer. If there is some other way To prove that I love you, I swear I don't know how. You'll never know if you don't know now. You went away and my heart went with you, I speak your name in my every prayer. If there is some other way To prove that I love you, I sware I don't know how. You'll never know if you don't know now.
