

# You've Got A Friend

Barbra Streisand

When you're down and troubled  
And you need some love and care  
And nothing, nothing is goin' right,  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night  
You just call out my name  
And you know wherever I am  
I'll come runnin' to see you again  
Winter, Spring, Summer or Fall  
All ya have to do is call  
And I'll be there,  
You've got a friend, you've got a friend.

If the sky above you grows dark and full of clouds,  
And that old North wind begins to blow,  
Keep your head together  
And call my name out loud  
And soon you'll hear me knocking at your door

You just call out my name  
And you know wherever I am  
I'll come runnin' runnin' runnin' runnin' to see you again  
Winter, Spring, Summer or Fall  
All ya have to do is call  
And I'll be there, yes I will

Now ain't it good to know  
That you've got a friend  
When people can be so cold  
They'll hurt you yes and desert you  
And take your soul if you let them  
Oh but don't you let them

You just call out my name  
And you know wherever I am  
I'll come runnin' runnin' runnin' yeah' to see you again  
Winter, Spring, Summer or Fall  
All ya have to do is call  
And I'll be there, yes I wil, yes I will  
You've got a friend, you've got a friend.  
Ain't it good to know  
Ain't it good to know  
Ain't it good to know  
You've got a friend  
You've got a friend
