

When Sorrows Fall

Stretch Arm Strong

It's okay for me to say i love you
And it's okay for you to cry
The sorrow that you are feeling you should not deny
So why is it so trying to express the way i feel?
Just one moment you steal
Just one moment
Just one
Just one moment
Just one
Just one moment you steal (2x)
I still care and i still feel
Time and again
It's all too real
Separate and detached
Myself i was running from all the pain i felt I was
Questioning the way I am and the things with which i've dealt
Somewhere in the foothills of my mind
I know my ways just aren't right
They're not right
So i'll shrug it off and wear a grin
I'll carry on and just pretend
I still care
I still feel
Time and again
It's all too real
