

## When Sorrows Fall

Stretch Arm Strong

It's okay for me to say i love you  
And it's okay for you to cry  
The sorrow that you are feeling you should not deny  
So why is it so trying to express the way i feel?  
Just one moment you steal  
Just one moment  
Just one  
Just one moment  
Just one  
Just one moment you steal (2x)  
I still care and i still feel  
Time and again  
It's all too real  
Separate and detached  
Myself i was running from all the pain i felt I was  
Questioning the way I am and the things with which i've dealt  
Somewhere in the foothills of my mind  
I know my ways just aren't right  
They're not right  
So i'll shrug it off and wear a grin  
I'll carry on and just pretend  
I still care  
I still feel  
Time and again  
It's all too real
