

Shadow's End

Strife

the shadow is taking over by acceptance...the shadow is taking
over.
the movement pulled below. strifled crises are thrown aside but
i am
searching for hope once more stagnations end- rebirth, insurgen
ce...
confide in fear, looked inside here, alone but never lost. solt
ude
is mine. the answers to the question that kill this will. that
boil in
our blood... the fete is never sealed
