

# All the Time

## The Strokes

Verse 1:

Those that try anything once  
Should we care about the only ones?  
All the time that I need is never quite enough  
All the time that I have is all that's necessary

Chorus:

You're livin' a lie,  
You're livin' a lie,  
You're living too fast,  
You gotta pray for the best  
You never ask why,  
You never ask why,  
You're living a lie,  
Maybe you're flying too high

Verse 2:

No one talks, about the horror  
On my block, or by the shore  
I'm all alone in a room,  
Do you want what I want too?  
All the time in the world  
Is all that's necessary

Chorus:

You're livin' a lie,  
You're livin' a lie,  
You're living too fast,  
You gotta pray for the best  
You never ask why,  
You never ask why,  
You're living a lie,  
Baby you're flying too high

You never ask why,  
You never ask why,  
You're livin' a lie,  
Baby you're flying too high  
Don't get on the phone  
Don't reach for the door  
You know the answer that you're looking for

You're livin' a lie,  
You're livin' a lie,  
You're living too fast,  
You gotta pray for the best  
You never ask why,  
You never ask why,  
You're livin' a lie,  
Baby you're flying too high
