

Call Me Back

The Strokes

Waiting time is the worst, I can hardly sit.
No one has the time, someone's always late.

Ch-ch
I look for you and you look for me oooooohhhh

I don't know why I came down.
I hold your phone, don't wake up.
I hear a voice in the ground.

Tell me, don't tell me,
The hard part is telling you something that you would not like
me to tell you.
Tell me, don't tell me,
The hard part is telling you something that you would not like
me to tell you.

Waiting time is to blame,
Mapped out fame's a trip.
We all have the time,
Someone's always fit.

I look for you and you look away oooooohhhh.

I don't know why I came down.
I hold your phone, don't wake up.
I hear a voice in the ground.

(Waking up is so much fun to do.)
Tell me, don't tell me,
The hard part is telling you something that you would not like
me to tell you.

(An 80's movie make-out party with you!)
Tell me, don't tell me,
The hard part is telling you something that you would not like
me to tell you.
