The Strokes

Everybody sees me
But its not that easy
Standing in the lightfield
Standing in the lightfield
Waiting for some action
Waiting for some action
Why wont you come over here

Why wont you come over here
We've got a city to love
Why wont you come over here
We've got a city to love

Old time grudges
Will die so slowly
I know you miss the
Way I saw you
And cold
You're so cold
You're so cold
You're so cold

Nobody can see me
Everythings too easy
Standing in the lightfield
Standing in the lightfield
Waiting for some actress
Waiting for some actress
To say
Why wont you come over here

Why wont you come over here
We've got a city to love
Why wont you come over here
We've got a city to love

Old time love song
Will die so swiftly
You never trust me
For a while
It was nice
But its time to say bye

Cold
You're so cold
You're so cold
You're so cold

NO NO NO
You're so cold
You're so cold
You're so cold

NO NO NO NO
You're so cold
You're so cold
You're so cold

Oh
You're so cold
