

# Every Breath You Take

Strung Out

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you

Oh, can't you see  
You belong to me  
How my poor heart aches  
With every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Since you've gone I been lost without a trace  
Then at night I can only see your face  
I look around but its you I can't replace  
I feel so cold and I long for your embrace  
I keep a-callin' baby, baby, please...

Oh, can't you see  
You belong to me  
How my poor heart aches  
With every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Every move you make  
Every step you take  
I'll be watching you!
