Every Breath You Take

Strung Out

Every breath you take Every move you make Every bond you break Every step you take I'll be watching you

Every single day Every word you say Every game you play Every night you stay I'll be watching you

Oh, can't you see You belong to me How my poor heart aches With every step you take

Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you

Since you've gone I been lost without a trace Then at night I can only see your face I look around but its you I can't replace I feel so cold and I long for your embrace I keep a-callin' baby, baby, please...

Oh, can't you see You belong to me How my poor heart aches With every step you take

Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you

Every move you make Every step you take I'll be watching you!
