4 Leaf Clover

We've been on the outside looking in before We've lived on the inside with a closed locked door We've slept in the corners of the open floor

We go round and round and round and round and round a nd round

There's no strength in a unicorn No luck in a 4 Leaf Clover There's no life unless it's born And no death when it's over

We've listened with open ears yet closed our minds We've loved without any tears from our own eyes We've gone to the parties in our cheap disguise

We go round and round and round and round and round and round and round $% \left({{\left({{{\left({{{\left({{{\left({{{}}} \right)}} \right.} \right.} \right)}_{{\left({{{\left({{{\left({{}} \right)}} \right)}_{{\left({{} \right)}}} \right)}_{{\left({{} \right)}}}}} \right)}} \right)$
