

# Alive

Stryper

Listen, birds don't sing anymore  
Waves don't crash on the shore  
'Cause You don't love me anymore  
See, the morning sun doesn't shine  
And the moon's nowhere to find  
'Cause You don't love me anymore

Then I realize - I'm Alive, I'll survive  
I was only dreaming that our love died  
I'm Alive, I'll survive  
I'll never stop believing

Feel, there's no wind in my hair  
There's no warmth from the sun's glare  
'Cause You don't love me anymore  
Stand, there's no ground to walk on  
There's no one to lean upon  
'Cause You don't love me anymore

Then I realize - I'm Alive, I'll survive  
I was only dreaming that our love died  
I'm Alive, I'll survive  
I'll never stop believing

Then I realize - I'm Alive, I'll survive  
I was only dreaming that our love died  
I'm Alive, I'll survive  
I'll never stop believing or deny

Then I realize - I'm Alive, I'll survive  
I was only dreaming that our love died  
I'm Alive, I'll survive  
I'll never stop believing

Listen, the birds are singing once more  
The waves are crashing on shore  
'Cause You love me....
