

## Loving You

Stryper

I was so confused, not knowing what to do with myself.  
I was being used, blinded I was headed for hell.  
Then God saved me, pulled me from the heat.  
It's always on my mind.  
What a blessing that was sent to me.  
Together we will shine and...

I'm loving you.  
I'm loving you.  
I'm loving you.  
I'm loving you.

Anger in my heart, life was such a drag for me.  
Then I made a start to serve the living God, now I'm free.  
You're my whole life, you're my lasting dream.  
It's always on my mind.  
What a blessing that was sent to me.  
Together we will shine and...

I'm loving you.  
I'm loving you.  
I'm loving you.  
I'm loving you.
