

## Peace of Mind

Stryper

Now if you're feelin' kinda low 'bout the dues you've been payin'  
g  
Future's coming much too slow  
And you wanna run but somehow you just keep on stayin'  
Can't decide on which way to go  
Yeah, yeah, yeah  
I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind.  
Now you're climbin' to the top of the company ladder  
Hope it doesn't take too long  
Can't you see there'll come a day when it won't matter  
Come a day when you'll be gone  
I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind.  
Take a look ahead, take a look ahead, yeah, yeah, yeah, yeah...  
Now everybody's got advice they just keep on givin'  
Doesn't mean too much to me  
Lot's of people out to make-believe they're livin'  
Can't decide who they should be.  
I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind.  
Take a look ahead, take a look ahead. Look ahead.
