Well, the night's begun and you want some fun
Do you think you're gonna find it (think you're gonna find it)
You got to treat yourself like number one
Do you need to be reminded (need to be reminded)
It doesn't matter what you do or say
Just forget the things that you've been told
We can't do it any other way
Everybody's got to rock and roll, whoo, oh, oh

Shout it, shout it, shout it out loud Shout it, shout it, shout it out loud

If you don't feel good, there's a way you could Don't sit there broken hearted (sit there broken hearted) Call all your friends in the neighborhood And get the party started (get the party started)

Don't let 'em tell you that there's too much noise They're too old to really understand You'll still get rowdy with the girls and boys 'Cause it's time for you to take a stand, yeah, yeah

Shout it, shout it, shout it out loud Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud You've got to have a party
Shout it, shout it, shout it out loud Turn it up louder
Shout it, shout it, shout it out loud Everybody shout it now
Shout it, shout it, shout it out loud Oh yeah
Shout it, shout it, shout it out loud Hear it gettin' louder
Shout it, shout it, shout it out loud And everybody shout it now
Shout it, shout it, shout it out loud
