Speak of the devil
He's no friend of mine
To turn from him is what we have in mind

Just a liar and a thief The word tells us so We like to let him know Where he can go

To hell with the devil To hell with the devil

When things are going wrong You know who to blame He will always live Up to his name

He's never been the answer There's a better way We are here to rock you And to say...

To hell with the devil To hell with the devil

To hell with the devil To hell with the devil
