

Don't Break The Bar Please Dumbo!

Stuck in the Sound

Wait
Troubles away
We fell in love
Around midday
you make me feel so pretty!
flying in the sky.

You're so strong
you make me wild
all night long
but you're so pretty
Yes, you're so sweet.

Yeah!
Don't break the bar please dumbo! (2x)
Don't speak the bla bla bla bla (2x)
Don't break the bar please dumbo!

hey mister dumbo!
whisky, vodka, wine,
tequila, wine, vodka
peanuts or something!
You're so greedy
Diving in the wine.

In the wine

Yeah!
don't break the bar please dumbo!
don't speak the bla bla bla bla!
don't break the bar please dumbo!
