Stuck Mojo

A nation under stress, you must confess about an executive mess.
You want me to believe; like Copperfield only tricks up your sleeve!

Once a ho' always a ho', u keep wheeling and killing at will.
Ever since you took oath you keep feeding the people fake hope.
Your platform's weak, plus you're a thief, you need to be impeached.
Mysterious deaths, illegal funds, oh what a mighty web you've spun!

Crooked Figurehead.
Who do you think you're fooling?
Crooked Figurehead.
Who do you think you're...
Crooked Figurehead.

Once a ho' always a ho', u keep wheeling and killing at will.
Ever since you took oath you keep feeding the people fake hope.
