

Pigwalk

Stuck Mojo

No sham in my game I bust out your frame.
The weak and the spineless I love to maim.

He's the bully on the block so start running
the path of the wide & the crooked when he's coming.
Poisoned with hate and fear so I don't wanna hear.
Neglected as a child so I act crazy and wild.

This is my world!!
Pigwalk ~ Pigwalk.
You're in my world!!
Pigwalk ~ Pigwalk

Mad at the world like a time bomb ticking.
Find an innocent punk to start kicking.

He's the bully on the block so start running
the path of the wide & the crooked when he's coming.
Poisoned with hate and fear so I don't wanna hear.
Neglected as a child so I act crazy and wild.
