

Eros And Apollo

Studio Killers

Yeah, with a boy like that it's serious

There's a boy who is so wonderful
Girls who see him kinda follow him back home
And the gigolos run like spiders when he comes
Cause he is Eros and he's Apollo

Girls, with a boy like that it's serious
Señoritas, don't follow him
Soon, he will eat your hearts like cereals
Sweet lolitas, don't go
You're still young

Every night they fall like dominoes
How he does it, only Heaven knows
All the other men turn gay wherever he goes
Wow!

Girls, with a boy like that it's serious
Señoritas, don't follow him
Soon, he will eat your hearts like cereals
Sweet lolitas, don't go
You're still young

Yeah, with a boy like that it's serious
Señoritas, don't go
Please don't go
Soon, he will eat your hearts like cereals
Sweet lolitas, don't go
You're still young
Sweet lolitas, don't go
You're still young
