

Who Is In Your Heart Now?

Studio Killers

Ooh, Ooh yeah!

Ooh, Ooh yeah!

Have you ever heard a callin'
But you don't know where the sound is coming from
Some times love, is talking in a whisper

Do you ever feel like falling
For some one you never though of falling for?
But without him
Though you move, you're getting nowhere

Tell me, who's in your heart now?
When Leonard Cohen is singing "Hallelujah"
Who's in your heart now?
All your friends and foes, they thought they knew ya
But look who's in your heart now
You scared yourself, your all of a doo-dah

Oh, you gotta hold on to love
Oh you'd better hold on to love

Have you ever found something
That you didn't even know you were looking for?
An answer
Though you didn't hear the question

When the plane is shaking violently
You wonder will the sky change into Heaven
And if all fails
Who is in your last thought then?

Tell me, who's in your heart now?
When Leonard Cohen is singing "Hallelujah"
Who's in your heart now?
All your friends and foes, they thought they knew ya
But look who's in your heart now
You scared yourself, your all of a doo-dah

Oh, you gotta hold on to love
Oh you'd better hold on to love

Ooh, Ooh yeah!
Ooh, Ooh yeah!

Oh, you gotta hold on to love
Oh you'd better hold on to love

Ooh, Ooh yeah!
