

Out Of Spite

Stutterfly

Falling, harder than I feel.
Realize, this pain is more than real criticize me for who I am.
Don't threaten me. don't run away.
I will forgive you for judging and not taking my hand.
Running, from myself.

Cowardly is what I am.
Sympathize, with my beliefs.
You don't give a damn.
Ostracize, out of spite.
I don't want to fight
