Hey You

Styles of Beyond

(2x) Your running out of time Hey You! I came to take what's mine Hey You! If you think I'm stepping aside Then your losing your mind Losing your mind You see the machine guns are blazing Microphone fiend And I'm buzzed and faded Loved and hated Pump slugs in ya favorite Rappers You punks ain't that courageous Back! To the middle Up front they feel me Clap! Put ya hands up Tickle the ceiling Got godz in the house And we got the chrome Hey yo Ryu! "I'm saying yo off the dome" Ok I'm from the S.O. Run in the west coast A cup full of exo Fucking wreck I don't care about a freestyle Cut the check You could battle if you want I'm a punch instead Roll out the red carpet The cameras see us Step out the black phantom With Cameron Diaz Damn Hide your women I'm coming to get em Move it That's My Bitch your losing (2x) Your running out of time Hey You! I came to take what's mine Hey You! If you think I'm stepping aside Then your losing your mind Losing your mind Take 5 while I make mine Double on your bet Shoot a roll for the snake eyes

Never let it get to the point where you skate by Let me break a sweat Cause I ears and you ain't fly Why? Nevermind On the grind from 9 to 6 She hella fine With a fiery diamond wrist Got off stage and I'm done with the show She followed behind And asked me to sign her tits 0-kay So we happened to stroll away But it's cool I'm in ya area code today Keep my mouth sealed Going on with the plan I mean yo What the hell am I supposed to say? Sipping gin bean chilling When I felt a hand brush me Stunned by the Ribkat letters on my cuff link Blowing off dust Going out of my shell The chainsaw for the game And my sharp fangs rusted
