Shit we rather die before we cry broke,
Go rob a nigga take the money and buy coke... (CANNON)
All for a whip-a couple of kicks-and a fly coat,
Shit we might flip if we ain't able to buy smoke,
If were hopeless are we able to buy hope? (Tell me)
Still get the thriller 9 kickin like Tae-Bo
Deal with the demons No sleep I ain't been dreamin,
Only nightmares when I'm scheemin.

Do you really wanna walk down this path?
Yeah I'm in good health living a sick life,
Doing wrong shit but its getting me rich right,
Looking at the cars and the crib is it worth what I did?
