The seed of Abraham ended up to be a war
Good Johnny Walker that I can't drink anymore
I see the flowers are rotting down in my yard
Any disaster is just a matter of

TIME TIME TIME I NEED IT TO GET
BY YOUR SIDE I NEED TO
DECIDE IF I'M WRONG OR RIGHT
I NEED IT TO MAKE UP MY MIND

They said I'm offside, I'll never get any goal
I had a function I was the one with a soul
Nobody likes me nobody catches me if I fall
Any disaster is just a matter of
