Living that street life (living this street life)  
That hood life (out on the corner)  
Living this gangsta Life (Living this gangsta life)  
Gotta sacrafice (Gotta do it)

I don't need no pen, I don't pad  
Yeah I miss my brother yeah I miss my dad  
Wanna kill the whole world, sometimes I get so mad  
Tell myself to slow down don'T get so fast

Light a bigger Blunt let the shit go pass  
But the pain still here so the shit gonna last  
Yeah I sit in the dark I'm addicted to weed  
Stop buying fast cars 'cause I'm addicted to speed

I don't know what to do, I don't know where to go  
I don't fit up in this industry but know I can flow  
Why I'm standing in the ghetto when I know I could blow?  
Why I'm standing on the corner when I know I should go?

Trying writing a movie, trying writing a book  
But even all alone I spend my night with a crook  
Try to overstand, try to overlook  
Remember how a pig and a rat had a colder look

I'm spiritual, I don't read Jehova's book  
Or Allah's book, or God's book  
Just a man and it's easy not a hard look  
I don't't trust you, so don't trust me

Bullets shiny, blades rusty  
Fuck with me, Fuck you that's how it must be  
This is D-Block, This is L.O.X.  
Yeah I'm saying Goodbye but I ain't said hello yet
