Don't Let It End

I am the modren man With this guitar in hand I'll do my best and try To keep rock and roll alive ... keep it alive ... keep it alive ... keep it alive ... Don't let it end Don't let it end Don't let it end Don't let it end I'm gonna keep on rockin' all through the night Shake it, shake it, baby, 'cause it feels so right Motivate your body, gonna cure your soul Keep on rockin' 'til I lose control Don't let it end I shake to soul music Don't let it end I gotta gotta have that music Don't let it end Chuck berry Don't let it end The platters Don't let it end Little richard - ahoo! Don't let it end [repeat to fade]
