

Lady

Styx

Lady, when you're with me I'm smiling,
Give me, oh-all, oh-all, oh-all your love.
Your hands, build me up when I'm sinking,
Just touch me, and my troubles all fade.

Lady, from the moment I saw you,
Standing, oh-all, oh-all, oh-all alone.
You gave, all the love that I needed,
So shy, like a child who had grown.

R: You're my, lady, of the morning,
Love shines, in your eye...-eye-eyes.
Sparkling, clear and lovely,
You're my, lady.

Lady, turn me in when I'm lonely,
Show me, all, oh-all, oh-all your charms.
Evenings, when you lay down beside me,
Just take me, gently into your arms.

R: (2x)
