Lady, when you're with me I'm smiling, Give me, oh-all, oh-all your love. Your hands, build me up when I'm sinking, Just touch me, and my troubles all fade.

Lady, from the moment I saw you, Standing, oh-all, oh-all alone. You gave, all the love that I needed, So shy, like a child who had grown.

R: You're my, lady, of the morning, Love shines, in your eye...-eye-eyes. Sparkling, clear and lovely, You're my, lady.

Lady, turn me in when I'm lonely, Show me, all, oh-all, oh-all your charms. Evenings, when you lay down beside me, Just take me, gently into your arms.

R: (2x)
