

## Show Me The Way

Styx

Every night I say a prayer  
in the hope that there's a heaven  
But every day I'm more confused  
as the saints turn into sinners  
All the heroes and legends I knew  
as a child have fallen to idols of clay  
And I feel this empty place inside  
so afraid that I've lost my faith

Show me the way, show me the way  
Take me tonight to the river  
And wash my illusions away  
Please, show me the way

And as I slowly drift to sleep  
for a moment dreams are sacred  
I close my eyes and know there's peace  
in a world so filled with hatred  
Then I wake up each morning  
and turn on the news to find we've so far to go  
And I keep on hoping for a sign  
so afraid I just won't know

Show me the way, show me the way  
Bring me tonight to the mountain  
And take my confusion away  
And show me the way

And if I see your light, should I believe  
Tell me how will I know

Show me the way, show me the way  
Take me tonight to the river  
And wash my illusions away

Show me the way, show me the way  
Give me the strength and the courage  
To believe that I'll get there someday  
And please show me the way

Every night I say a prayer  
in the hopes that there's a heaven...
