Every night I say a prayer in the hope that there's a heaven But every day I'm more confused as the saints turn into sinners All the heroes and legends I knew as a child have fallen to idols of clay And I feel this empty place inside so afraid that I've lost my faith

Show me the way, show me the way Take me tonight to the river And wash my illusions away Please, show me the way

And as I slowly drift to sleep
for a moment dreams are sacred
I close my eyes and know there's peace
in a world so filled with hatred
Then I wake up each morning
and turn on the news to find we've so far to go
And I keep on hoping for a sign
so afraid I just won't know

Show me the way, show me the way Bring me tonight to the mountain And take my confusion away And show me the way

And if I see your light, should I believe Tell me how will I know

Show me the way, show me the way Take me tonight to the river And wash my illusions away

Show me the way, show me the way Give me the strength and the courage To believe that I'll get there someday And please show me the way

Every night I say a prayer in the hopes that there's a heaven...
