## Winner Take All

You've got to be strong If you're going to make it baby You've got to stand tall If you're going to survive

So just take my hand And I'll show you how to feel alive Yeah yeah

Winner take all That's the way I play it Playing my cards as the world goes by Winner take all That's the way that I get high

You live your own life Always needing someone baby Then I appear to answer your call Together I know We can ride the highway past them all Yeah yeah yeah yeah yeah yeah

Winner take all That's the way I play it Playing my cards as the world goes by Winner take all That's the way that I get high High high

Winner take all That's the way I play it Playing my cards as the world goes by Winner take all That's the way that I get high
