```
I've seen it only in my dreams
I tried so hard, so you'd believe
But now that I'm gone
I'm feeling like this could be real (3x)
Now that I'm gone
I'm feeling like this, feeling like this
Feeling like this
But now that I'm gone
I'm feeling like this, feeling like this
Feeling like this
I've seen it only in my dreams
I tried so hard, so you'd believe
But now that I'm gone
I'm feeling like this could be real (3x)
Now that I'm gone
I'm feeling like this, feeling like this
Feeling like this
But now that I'm gone
I'm feeling like this, feeling like this
Feeling like this
```
