

Nothing I Can Do

Subhumans

Oh my god it's raining again
And a seven-year-old anarchist is blowing up Berlin
My Subs LP is still brand new
But what does it matter? There's nothing I can do!
There's a great big hole in my back door
And everyone expects a nuclear war
I've been on the beer - I think I'm gonna spew
But what does it matter? There's nothing I can do!
The dust in the road gets in my eyes
And the system tells such fucking lies
Why should I believe what they say is true?
But what does it matter? There's nothing I can do!
There's nothing I can do!
I wouldn't do it for you!
But then you wouldn't do it for me
Well that's the facts you see
My ten-year-old sister's on the pill
Ronnie Biggs got a flat in Brazil
The third generation ain't got a clue
But what does it matter? There's nothing I can do!
