

Chica Me Tipo

Sublime

No me importa que se lleva (It doesn't matter what you're wearing)

Porque todo se quitara (Because it will all come off)

Ay no puedo verlo (I can't see you)

Ni en pintura (Not even in paint)

Cuando empecemos, no me dio cuenta (When we started, I didn't realize)

De que luego, tuviera que pagar (That later I would have to pay)

Pero, se dice tambien (but, it is also said)

Me muera acostarme con ti (I'm dying to lay down with you)

Con ti (with you)

No me propongo predicar (I don't propose to preach)

Vive y dejar vivir (Live and let live)

Pero el amigo (But a friend)

Es un condon en el bolsillo (Is a condom in your pocket)

Yo no soy medico, no soy chapocero (I'm not a doctor, I'm not a joker)

Solamente soy pobre, y ya estoy tan solo (I'm just poor, and now I'm so lonely)

Pero si se cambie (But if she changes)

Ella seria la mia (She will be mine)

Para ser poseido en propeidad (To be possessed as property)
en propeidad (As property)

I've got to get alive with you

Whoa I cannot do?

I will lay down anytime with her
with her.
