

## Pool Shark

Sublime

Lyin' in my plastic bed,  
Thinkin' how things weren't so cool to me.  
My baby likes to shoot pool,  
I Like lyin' naked in my bedroom.  
Tyin' on the dinosaur tonight,  
It used to be so cool too.

Now I've got the needle,  
And I can shake,  
but I can't breath.  
I take it away, but I want more and more.  
One day I'm gonna lose the war.
