I seek to speak the words of wisdom I seek to speak the words of truth So I, I reach out for the heavens I reach out for the stars Γ

Are the answers out there?
Or do we all wait until the end?
I need a reason to care,
A new light and eternal flame
All I want to know,
Is are the answers out there?
Yeah

I feel the need to seek perfection
I feel the want to even more
from my life
I reach out for the heavens
I reach out for the stars

Are the answers out there?
Or do we all wait until the end?
I need a reason to care,
A new light and eternal flame
All I want to know,
Is are the answers out there?
Yeah (Yeah)

Yeah, Yeah,

Yeah, Yeah,

Are the answers out there?
Or do we all wait until the end?
I need a reason to care,
A new light and eternal flame
All I want to know,
Is are the answers out there?
Yeah
