

# Complicated

Submersed

Hey, what's your name?  
I've been crawling on my fingers for so long  
Shame, is your blame  
You think of a better day...

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down

Then it happens again...

Blame, that's your game  
You've been pointing fingers at me for too long  
Fame, is all you gain  
You think of a better day

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down

Then it happens again...  
Then it happens again...  
Then it happens again...  
Then it happens again...

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down  
So I will follow you down  
And I will follow you down
