

Leave

Submersed

Come, take this pressure of my hand
Come, take me to the promised land we see,
I'm taking all I've brought, you'll see
Leave, I'm tired of you disrespecting me

And I would walk away from
Everything you've given me now
And I would like to take a moment to say out loud:
Hold me now.

Come, take all that I am
Come, help to make a better man in me
I'm taking all I've brought you see
Leave, I'm tired of you disrespecting me

And I would walk away from
Everything you've given me now
And I would like to take a moment to say out loud:
Hold me now.

Take all I am and make a better man in me
Take all I am, take all I am, to make a better man in me

And I will walk away from
Everything you've given me, now
And I would like to take a moment to say out loud:
Hold me now.
