Leave

Submersed

Come, take this pressure of my hand Come, take me to the promised land we see, I'm taking all I've brought, you'll see Leave, I'm tired of you disrespecting me

And I would walk away from Everything you've given me now And I would like to take a moment to say out loud: Hold me now.

Come, take all that I am Come, help to make a better man in me I'm taking all I've brought you see Leave, I'm tired of you disrespecting me

And I would walk away from Everything you've given me now And I would like to take a moment to say out loud: Hold me now.

Take all I am and make a better man in me Take all I am, take all I am, to make a better man in me

And I will walk away from Everything you've given me, now And I would like to take a moment to say out loud: Hold me now.
