

Rewind

Submersed

I have my work cut out for me,
Because I feel so selfishly
It hurts now lookin' back

I try to think of what went wrong,
I've Never stayed like this so long
It hurts now lookin' back

In this grip of sadness,
I knew this was my last mistake,
And i'm the reason why

What I need to rewind
Take back the ones I've broken
Turn back time
Turn back time
What I need to rewind
Restore the ones I've broken
Turn back time
Turn back time
Why?

Nothings clear inside my head
Im better off, I'm left for dead
It's hard to see the future
I'm searching truth and lies I've made
I've prayed to see a better day

In the grip of the sadness
Just one more day I lose my mind
And I'm the reason why

What I need to rewind
Take back the ones I've broken
Turn back time
Turn back time
What I need to rewind
Restore the ones I've broken
Turn back time
Turn back time
Why?

What I need to rewind
Take back the ones I've broken
Turn back time
Turn back time
What I need to rewind
Restore the ones I've broken
Turn back time
Turn back time
Why?

What I need to rewind
Take back the ones I've broken
Turn back time
Turn back time
Why?

Why?

Why?

Why?
