

# Game Of Love

## Subseven

When i was young You fed me -  
Before I claimed Your name -  
The words You softly told me -  
Still in my heart today -

To think that I'm your favorite -  
To think that I'm Your son -

My faith in You grows stronger -  
Breeds deeper everyday -  
To think that Your my father -  
Your blood runs through my veins -

To hear You say " This ones mine" -  
To hear You say "He's my son" -

I hear Your voice speak to me -  
Even when I don't call -  
I feel Your strength run through me -  
Even when I've done wrong -

Pieces of You inside of us -  
Inside our hearts burns Your love -  
Pieces of You inside of me -  
To think that I'm Your favorite -

Game of love - I'll play this game of love - I won't lose.
