

Until the night is over  
turn on the amp

darkness is my shelter  
concealed by beams of light

this is where we gather  
to feed our wishing souls

smoke and sweat in beads  
redemption si our goal

glamouros vapouros fill the atmosphere  
heads rage like waves in a storming sea

Until the night is over  
turn on the amp

darkness is my shelter  
concealed by beams of light

this is where we gather  
to feed our wishing souls

smoke and sweat in beads  
redemption si our goal

glamouros vapouros....
