

## Gidget Goes To Hell

### Suburban Lawns

Gidget gets a hand  
Into daddy's pocket  
Silver keys, shiny red sports car  
Speed-shift, baby on PCH, yeah  
She's not goin' to school - surfer's rule!

Ohhhhhhh, Gidget goes to hell!

Gidget shakes her ass cool  
As she strolls across the beach  
She's so good yeah  
At teasing all the boys there  
Their hopes are rising  
While their chances are falling  
Frustration  
It's such a subtle torture

Ohhhhhhh, Gidget goes to hell! Ohhh

She's the center of attention  
As she runs into the waves  
Paddles way outside, yeah  
Waiting for the big one  
Bigger than she knows, yeah  
Huge fin on the water  
Flashing white teeth snap  
Bloody bikini  
Ohhhhhhh, Gidget goes to hell! Ohhh!
