Suburban Lawns

I can't bag-ah your love
No, no, no
I can't bag-ah your love
No, no, no
I can't bag-ah your love
No, no, no

Put it in a bag
Put it in a bag
Squeeze it 'til you sag
Baby in a bag
Baby in a bag

'Cause I don't have any sacks that are strong enough
And I don't have any liners that are long enough
And I don't have any baggies that are big enough
To bag your love
No, no, no

I can't bag-ah your love
No, no, no
I can't bag-ah your love
No, no, no
I can't bag-ah your love
No, no, no

Put it in a bag
Put it in a bag
Squeeze it 'til you sag
Baby in a bag
Baby in a bag

'Cause I don't have any sacks that are strong enough
And I don't have any liners that are long enough
And I don't have any baggies that are big enough
To bag your love
No, no, no, no, no, no, no, no
