

Girl's Got What I Want

Suburban Legends

Hey little lady
The way you treat me is
Wrong, wrong, wrong
(Wrong, wrong, wrong)
Well I'm not your dog on a leash
For you to drag along, long, long
One thing you gotta do for me
It's easy as one, two, three
Let me know
That girl's got what I want
But shorty won't give it to me
If I stop playing the games
I'm gonna end up on the losing team
(End up on the losing team)
Oh, yeah!
Hey little lady
Don't give me the
Run around, run around
(Run around, run around)
I know you got your spell
On a lot of young boys
Around this town
I want you to be my queen
All you gotta do is talk to me
Let me know
That girl's got what I want
But shorty won't give it to me
If I stop playing the games
I'm gonna end up on the losing team
(End up on the losing team)
And I kiss my hand to the sky
And I say,
"Girl is not that fly"
Oh, yeah
Ooh! Yeah!
That girl's got what I want
But shorty won't give it to me
If I stop playing the games
I'm gonna end up on the losing team
(End up on the losing team)
That girl's got what I want
But shorty won't give it to me
If I stop playing the games
I'm gonna end up on the losing team
(End up on the losing team)
And I kiss my hand to the sky
And I say,
"Girl is not that fly"
Yeah, yeah
"Girl is not that fly"
