

Just Be Happy

Suburban Legends

You tell me that you wanna sing
You've got to believe it
You tell me that you wanna dance
You've got to believe it
Most people in the world
Yeah they got no clue
Singing to the tunes of the same old news
I hope you love your trip
'Cause it's ending soon
And I-I-I-I-I-I-I-I
I don't care what you do
Just be happy
But don't be a hater
'Cause haters are so nasty
Born from the same old star
We're all living together
So don't-don't-don't-da-da-don't-don't-don't-don't-don't
Don't be a motherfucker
You say you got something good
Why don't you use it?
Standing front at the show
Like you created music
Brothers in trouble
When the show is on
Flashin' so hard
Yeah he hates this song
But haters need love
So let's give him a hug
'Cause I-I-I-I-I-I-I-I
I don't care what you do
Just be happy
But don't be a hater
'Cause haters are so nasty
Born from the same old star
We're all living together
So don't-don't-don't-da-da-don't-don't-don't-don't-don't
Don't be a motherfucker
I'm standing on my soapbox
Love is good but don't love so much
To the point where your mind's made up
Look around you like everything sucks
This life's on your own time
Do good work and try to have a good time
Try to have a good time
Try to have a good time
I don't care what you do
Just be happy
But don't be a hater
'Cause haters are so nasty
I don't care what you do
Just be happy
But if hating makes you happy
Then hate a lot and get happy
Born from the same old star
We're all living together

So don't-don't-don't-da-da-don't-don't-don't-don't-
don't
Don't-don't-don't-da-da-don't-don't-don't-don't-don't
Don't be a motherfucker
Yeah
Don't be a motherfucker
Don't don't don't don't don't
Please don't
Please don't
Please don't be a motherfucker
