

## Chalk Circles

Suede

Ring-rounds, stairways, roundabouts  
I will pick you up  
Watching traffic heading south  
I will pick you up  
With your money in your face  
I will pick you up  
Friendship bracelets on your wrist  
I will pick you up

Oh with our feet in the snow  
Oh where nobody goes  
Oh we'll feel like giving  
Go where the silence goes

Oh where the strange ones will play  
Oh chalk circles and clay  
Oh we'll feel like giving  
Go where the silence goes  
Go where the silence goes

Ring-rounds, stairways, roundabouts  
I will pick you up
