

# Don't Be Afraid If Nobody Loves You

Suede

Whatever you think you know  
Whatever they say about me  
You know that those words will stay between us

I'm air in the trackless snow  
A voice in the poplar trees  
I'll take you to where no one goes  
But no one ever leaves

So don't be afraid if nobody loves you  
Don't be afraid if nobody sees

However the words come out  
However they twist the meaning  
We'll always have the priest upstairs ...  
To the towers

So don't be afraid if nobody loves you  
Don't be afraid if nobody sees

I'm lit on the open roads  
My mane caught there on a tree  
My flame in the lightless forest  
Under the leaves

Don't be afraid if nobody loves you  
Don't be afraid if nobody sees  
Don't be afraid if nobody loves you  
Don't be afraid 'cause no one loves me

I'm lit on the open roads  
My mane caught there on a tree  
I'm a flame in the lightless forest  
Under the leaves

I'm alone like a Trapist monk  
A voice in the poplar trees  
I'm a flame in the lifeless forest  
Under the leaves ...
