

Head Music

Suede

Lonely skies empty minds we walk by to
The rock and rhyme I said "Oh come on do it again"
City signs business minds we walk by with
Head hi fi you know oh I want to do it again
And we loose it to the music
And we loose it to the beat and get stupid come on loose it
'Cause it all means nothing to me

So give me head give me head give me head music instead
You know oh is it all in the mind?
Give me head give me head, give me head music instead,
You know oh yes it's all in the mind

Kids get high, cities die, we just smile 'cause it's all inside

You know oh yes it's all in the mind
So come on loose it to the music
And loose it to the beat and get stupid, come on loose it

'Cause it all means nothing to me come on come on
So give me head, give me head, give me head music instead,
You know oh 'cause it's all in the mind? Come on come on
Give me head, give me head, give me head music instead,

You know oh yes it's all in the mind
Yes it's all in the mind
